

The following is some guidelines that if you follow should make everyone's weekend entertaining and enjoyable.

Wrist Bands

When you register you will be given an Wrist Band. Please ensure that you always wear it. This is a security measure and allows us to check that everyone on the site is meant to be there. It will also make you feel more part of the event, and makes a nice memento.

If you lose your badge please report to reception for a replacement.

Security

We have a very efficient team of Stewards working at the event; however you can make their job much easier by remaining vigilant. If you see someone not wearing a wrist band, and you feel they should not be here please report it to a Steward. Also please keep valuables– money, phones, alcohol etc. either locked in your car or on your person. DO NOT LEAVE VALUABLES IN YOUR TENT! We cannot be held liable for loss or theft.

First Aid

There will be several first aiders around the camp site. They will be wearing First Aid Wrist Band. Please go to reception if you require first aid.

Water

Please do not use the drinking water tap to wash plates, (a separate sink is provided for this), and do not allow your children to play with it.

Please note that uses of water pistols and soap bubbles are strictly forbidden and anyone found using them will have them confiscated.

Speed Limit

The camp site speed limit is 5mp. Please adhere to this as there are children running about as well as adults.

Children

Please note you are responsible for your children always. While we are a family orientated event we are not a crèche, and are not here to look after them! Please be aware of their whereabouts and arrange for a suitable friend to watch over them if you are taking part in an event that would otherwise prevent you from doing so.

Animals

Dogs should be kept on a leash, and it is the owner's responsibility to clear up any mess they make.

Bar B Q's

Bar B Q's must be off the ground so that they don't scorch the grass. If the grass is scorched, Bar B Qs will not be allowed for safety reasons.

Noise and Music

Please make sure that the music stops at 11pm

Drink

While we all like a drink, and at these weekends it is not unknown for some people to imbibe a little too much. Please be aware that we will not tolerate unacceptable behaviour at any time, and being drunk is not an excuse. In other words if you cannot handle it, do not drink so much! In the past we

have unfortunately had to ask people to leave the event due to offensive alcohol related behaviour.

Rubbish

Black Bags are supplied in your welcome packs that you will receive on registration at reception. Should you require any extra bags please ask at reception. Please keep surrounding area of your tents tidy and on leaving put the rubbish bag in the skip provided.

Finally this is a fun weekend! Enjoy yourselves, have a great time, and if you have any suggestions on how to make next year's better let me know.
